Wayne,

As we discussed, following is a revised copy of Attachment III to the County Canyon Mining Plan (File #M/023/024). This revision includes the change to the units in the re-vegetation column and RS Means reference. Please replace page 18 in your plan with this new sheet. I will send a original copy to you via mail today.

Again I appreciate your willingness to work with us. Please let me know if you have any questions or need further information.

REGARDS,

Alan Finch
